FOR IMMEDIATE RELEASE

New Adveto ECDIS Training program

Swedish ADVETO has with it's close partners established a new ECDIS training program. During a seminar that was held recently at Adveto's HQ in Stockholm the new Type specific training program (or ECDIS Familiarisation Training) for Adveto's type approved ECDIS was defined..

ADVETO

ADVETO Advanced Technology AB is a real pioneer in Electronic Navigation Systems. ADVETO started already in the mid 1980's. ADVETO systems are used all across the world on all types of ships and by many National Maritime Administrations. They have become increasingly popular onboard High Speed Crafts and especially with those operating in archipelagos. The majority of our users are still found in Scandinavia but with a rapidly growing number of users around the world.
